East Greenbush Bernard L. Rottschaefer, M.D. 2020-12-22 East Greenbush By: Bernard Lewis Rottschaefer, M.D. Bernard Lewis Rottschaefer, M.D. is the author of ANAK and East Greenbush. East Greenbush exudes teenage angst coupled with the coming of age during the late Eisenhower era when 'no' meant no but also mean yes when accompanied by pelvic elevation. The free spirit of 'Easy Rider' leaps from the pages of East Greenbush. A serious maiming crime unbound by the statute of limitations happening five decades before his death haunts Jimmy throughout this love saga of his life. Serious moral issues remembered as the touchstones of Jimmy's life are individually depicted often raging war with Jimmy's religious underpinning. Suddenly Ancestry DNA shatters unsuspected lifelong secrets that Jimmy must address as he struggles to minimize damage to his family. Amy, a friendly provocative Victorian ghost providing both physical and mental support, adds brief insight into Victorian sexual mores while resurrecting Jimmy from the abyss of progressive mental and physical decline. A 1949 Ford convertible and a 1936 Indian motorcycle and a reconstructed Harley Davidson serve to bind much of East Greenbush together. East Greenbush, Pittsburgh and Holland, Michigan provide the backdrops for East Greenbush while adding flavorful color. East Greenbush provides nostalgia for baby boomers, focus for Generation X and charming instruction for the Millennials and Generation Z served up in a lively fast flowing format.

Summary of Greg Grandin's Fordlandia Everest Media, 2022-05-04T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 In the 1920s, America 's thirst for rubber helped strengthen European colonialism, as revenue from rubber was used to pay off England and France 's war debt. #2 The rubber industry was already dependent on oil, and by 1924, Ford had considered growing his own rubber in the muck lands of the Florida Everglades. Rumors of his interest in Florida prompted speculators to organize the Florida and Cape Cod Realty Company to buy up and subdivide large tracts of land in Labelle. #3 Ford did not like collective action. When Firestone tried to organize the rubber industry, Ford refused to participate. He decided that the best place to grow rubber was in the Amazon, where it originated. #4 The southern half of the Amazon basin, which is home to the Hevea brasiliensis tree, was the site of the world 's rubber boom in the second half of the nineteenth century. With their Beaux Arts palaces, neoclassical municipal buildings, electric trams, and wide Parisian boulevards, the cities of Manaus and Bel é m competed for the title of tropical Paris.

Der lange Weg zur Freiheit Nelson Mandela 2014-01-25 » Ich bin einer von ungezählten Millionen, die durch Nelson Mandelas Leben inspiriert wurden. « Barack Obama Eine fast drei Jahrzehnte währende Gefährlichkeitsliebe Nelson Mandela zum Mythos der schwarzen Befreiungsbewegung werden. Kaum ein anderer Politiker unserer Zeit symbolisiert heute in solchem Maße die Friedenshoffnungen der Menschheit und den Gedanken der Aussöhnung aller Rassen wie der ehemalige südafrikanische Präsident und Friedensnobelpreisträger. Auch nach seinem Tod finden seine ungebrochene Charakterstärke und Menschenfreundlichkeit die Bewunderung aller friedenswilligen Menschen auf der Welt. Mandelas Lebensgeschichte ist über die politische Bedeutung hinaus ein spannend zu lesendes, kenntnis- und faktenreiches Dokument menschlicher Entwicklung unter Bedingungen und Gefahren, vor denen die meisten Menschen innerlich wie äußerlich kapituliert haben dürften.
