

Gods Empowering Presence The Holy Spirit Gordon D Fee

Thank you unconditionally much for downloading Gods Empowering Presence The Holy Spirit Gordon D Fee. Maybe you have knowledge that, people have seen numerous times for their favorite books when this Gods Empowering Presence The Holy Spirit Gordon D Fee, but stop up in harmful downloads.

Rather than enjoying a good book behind a cup of coffee in the afternoon, on the other hand they juggled subsequently some harmful virus inside their computer. Gods Empowering Presence The Holy Spirit Gordon D Fee is affable in our digital library an online permission to it is set as public for that reason you can download it instantly. Our digital library saves in complex countries, allowing you to get the most less latency epoch to download any of our books behind this one. Merely said, the Gods Empowering Presence The Holy Spirit Gordon D Fee is universally compatible like any devices to read.

Embracing the Other Grace Ji-Sun Kim 2015 We live in a time of great racial strife and global conflict. How do we work toward healing, reconciliation, and justice among all people, regardless of race or gender? In *Embracing the Other Grace* Ji-Sun Kim argues that it is possible only through Gods Spirit. Working from a feminist Asian perspective, Kim develops a new constructive global pneumatology that works toward gender and racial-ethnic justice. Drawing on the concept of spiritbreath in Asian and indigenous cultures, she reimagines the divine as Spirit God who is restoring shalom in the world. This Spirit God concept, Kim says, provides a holistic understanding of both God and humans that extends beyond skin color, culture, religion, or power within society. Through the power of Spirit God our brokenness is healed and we can truly love and embrace the other.

The New Worship Barry Wayne Liesch 2001-04-01 Shows pastors how to balance new worship ideas with the traditional while focusing on the purpose of praise and fellowship.

The Mustard Seed Counseling Ibrahim Youssef Ph.D. 2020-10-18 "Mustard Seed Counselling" is a systemic appraisal of biblical counselling; the author's easy style of writing is encouraging to those who feel a calling to counsel. Many people within the church are hurting and they are trying to make sense of what is happening to them. The answer is biblical counselling, working with the Holy Spirit to bring wholeness. The work, "Mustard Seed Counselling," will encourage those who feel the call to counsel and have a desire to study and check their relationship with God.

Evangelical Theology, Second Edition Michael F. Bird 2020-10-20 *Gospel-Centered Theology for Today* Evangelical Theology, Second Edition helps today's readers understand and practice the doctrines of the Christian faith by presenting a gospel-centered theology that is accessible, rigorous, and balanced. According to author Michael Bird the gospel is the fulcrum of Christian doctrine; the gospel is where God meets us and where we introduce the world to God. And as such, an authentically evangelical theology is the working out of the gospel in the various doctrines of Christian theology. The text helps readers learn the essentials of Christian theology through several key features, including: A "What to Take Home" section at end of every part that gives readers a run-down on all the important things they need to know. Tables, sidebars, and questions for discussion to help reinforce key ideas and concepts A "Comic Relief" section, since reading theology can often be dry and cerebral, so that readers enjoy their learning experience through some theological humor added for good measure. Now in its second edition, *Evangelical Theology* has proven itself in classrooms around the world as a resource that helps readers not only understand the vital doctrines of Christian theology but one that shows them how the gospel should shape how they think, pray, preach, teach, and minister in the world.

The Role Of The Holy Spirit In Worship H. Eugene Soulesby 2019-12-02 Christianity does not deny the Holy Spirit's existence and most Christians would confess they believe in the Spirit, at least with their head and creed. But few "experience" him in their daily walk or have a biblical understanding of who he is, why he came and what his role is in the Christian life. The Holy Spirit is a living presence—a person—and as such must be experienced, not neglected, within the church and the individual believer. The crucial role of the Spirit in Paul's life, thinking and theology was always that of the personal presence of God. As a Christian, a believing follower of Christ, the Spirit is the empowering presence experienced in our lives as we await the perfect ending of the Kingdom of God.

What Christians Ought to Believe Michael F. Bird 2016-07-05 Modern Christians have often hesitated to

embrace the ancient creeds because of our “ nothing but the Bible ” tradition. In *What Christians Ought to Believe* Michael Bird opens our eyes to the possibilities of the Apostle ’ s Creed as a way to explore and understand the basic teachings of the Christian faith. Bringing together theological commentary, tips for application, and memorable illustrations, *What Christians Ought to Believe* summarizes the basic tenets of the Christian faith using the Apostle ’ s Creed as its entryway. After first emphasizing the importance of creeds for the formation of the Christian faith, each chapter, following the Creed ’ s outline, introduces the Father, the Son, and the Spirit and the Church. An appendix includes the Apostles ’ Creed in the original Latin and Greek. *What Christians Ought to Believe* is ideally suited for both the classroom and the church setting to teach beginning students and laypersons the basics of what Christians ought to affirm if they are to be called Christians.

A Shorter Guide to the Holy Spirit Anthony C. Thiselton 2016-05-14 Anthony Thiselton ’ s scholarly book *The Holy Spirit — In Biblical Teaching, through the Centuries, and Today* was published to wide acclaim in 2013 and received a 2014 Christianity Today Book Award. This shorter volume makes Thiselton ’ s vast biblical-theological knowledge and brilliant insight more accessible to more readers.

Poured Out Leonard Allen 2018-05-02 *The Holy Spirit Cannot Be Contained*. After centuries of neglect, there is a renewed interest in the Holy Spirit. Many are beginning to realize that the Spirit is not a junior member of the Trinity, tame and shy. *Poured Out* explains why the church limited the Spirit for so long and how you can come to know the Spirit better and more fully. To become fruitful again—to move beyond apathy, defeat, and despair—you need to discover a deeper experience of life with God. A key in this recovery is the realization that the Spirit is God's primary missionary who can empower and guide you in God's work in today's world.

Paulus, der Apostel Jesu-Christi. Sein Leben und Wirken, seine Briefe und seine Lehre (etc.) Ferdinand Christian Baur 1845

The First Epistle to the Corinthians, Revised Edition Gordon D. Fee 2014-12 This landmark commentary, originally published in 1987, has been lauded as the best study available of Paul's theologically rich first letter to the Corinthians. Writing primarily for pastors, teachers, and students, Gordon Fee offers a readable exposition of 1 Corinthians that clearly describes the meaning of Paul's ideas and their larger theological relevance. Fee's revised edition is based on the improved, updated (2011) edition of the NIV, and it takes into account the considerable scholarship on 1 Corinthians over the past twenty-five years. Fee has also eliminated "chapter and verse" language -- totally foreign to Paul's first-century letter -- relegating the necessary numbers for "finding things" to parentheses.

Das Angeld des Geistes Friedrich Wilhelm Horn 1992

Sculptor Spirit Leopoldo A. Sánchez M. 2019-02-05 Like the work of an artist who molds a lump of clay, the Spirit's sanctifying work lies in shaping people into the image of Christ. Avoiding either a "Spirit-only" or a "Spirit-void" theology, Leopoldo Sánchez carefully crafts a Spirit Christology, which considers the role of God's Spirit in the life and mission of Jesus and leads to five distinct models of sanctification that can help Christians discern how the Spirit is at work in our lives.

Divine Discourse in the Epistle to the Hebrews Madison N. Pierce 2020-06-30 In this book, Madison N. Pierce analyzes the use of prosopological exegesis by the author of Hebrews in almost every major quotation of Scripture. She shows that the author uses Scripture in a consistent way that develops his characterization of God - Father, Son, and Spirit - and that results in a triune portrait of God in Hebrews. Offering a detailed reading of several passages, she also demonstrates how the author's portrayal of God is consistent with later theological developments. Pierce's method replaces atomistic approaches and allows readers to see a clear pattern of usage across the entire epistle. It offers researchers a tool for examining quotations of New Testament Scripture and will be of particular interest to those working in the field of trinitarian theology.

Die historische Zuverlässigkeit der Evangelien Craig L. Blomberg 1998

Inhabiting the Cruciform God Michael J. Gorman 2009-04-03 This richly synthetic reading of Paul offers a compelling argument that the heart of Paul's soteriology lies in theosis—the incorporation of God's people into the life and character of the God revealed in the cross. Michael Gorman deftly integrates the results of recent debates about Pauline theology into a powerful constructive account that overcomes unfruitful dichotomies and transcends recent controversies between the New Perspective on Paul and its traditionalist critics. Gorman's important book points the way forward for understanding the nonviolent, world-transforming character of Paul's gospel. Richard B. Hays / Duke Divinity School / Provides an important corrective to segmentalized approaches to Paul. Michael Gorman lucidly connects justification to spiritual transformation. Faith, love, and action come together as theosis—the taking on of the character of Christ and, so, of God. Though constantly in conversation with other scholars, Gorman has a refreshingly original approach, illuminating the lively theology of Paul.

Inhabiting the Cruciform God clearly advances the field of Pauline studies. Stephen Finlan / Fordham University

/ In this pioneering work Michael Gorman offers a fresh way to view Paul's understanding of justification and holiness. Cutting a new path through old territory, Gorman leads us to a vision of holiness and justification rooted in the transforming power of nonviolence and the cross. His work will provide pastors with new insights for preaching and scholars with new ways to address old questions. Frank J. Matera / Catholic University of America

Paul and the New Perspective Seyoon Kim 2002 Critical studies of the two 'test cases' for James D.G. Dunn's 'New Perspective on Paul,' Paul's Damascus experience and Gal 3:10-14, reaffirm the Reformation interpretation of Paul's doctrine of justification and confirm that Paul obtained that doctrine from his Damascus experience. The discovery that Isaiah 42 influenced Paul's interpretation of his apostolic call helps explain how Paul developed his antithesis between the Spirit and the flesh/law and why he insists on the impossibility of justification by works of the law. Contrary to the assumption of the 'New Perspective School', Seyoon Kim's studies issue a call to take Paul seriously as an important witness to his contemporary Judaism. The distinctive Pauline doctrine of Christ as the Image of God and as the Last Adam is revisited in the light of the growing interest in the apocalyptic-mystical background of Paul. The author also explicates how Paul uses the Jesus tradition in the light of the Damascus experience to develop his christology and soteriology. So, while reaffirming the significance of the Damascus event, Seyoon Kim now appreciates the Jesus tradition as equally important for the origin of Paul's gospel. Thus, the overall thesis of the book is that Paul's gospel is a child born of two parents, the Damascus revelation and the Jesus tradition

The Holy Spirit in Mission Gary Tyra 2011-11-10 The church has been called to participate in God's mission in the world. But without a robust, biblical sense of the Spirit's action, how can we be sure we're fulfilling that call? Gary Tyra employs a biblical theology of the Holy Spirit to deepen and inform our understanding of life as the church, the people of God. Since the church's mission to and into the world is both evangelistic and prophetic, the task calls for the working of the Spirit in our preaching, proclamation and service. Tyra brings together both charismatic and evangelical emphases resulting in a theological and practical synthesis that is richer than when either is taken separately.

From Pentecost to the Triune God Steven M. Studebaker 2012-12-19 In *From Pentecost to the Triune God* Steven Studebaker puts forth a provocative Pentecostal Trinitarian theology, arguing that the Holy Spirit completes the fellowship of the triune God and therefore shapes the identities of the Father and the Son. The Holy Spirit, Studebaker maintains, is not simply a passive end-product of a procession from the Father and Son but, rather, a dynamic person who plays an active role in the Trinity and a constitutional, consummational role in the history of redemption. In the course of his study, Studebaker shows the theological yield of the Pentecostal experience of the Holy Spirit and uncovers the biblical narratives of the Spirit from creation to Pentecost. A constructive and ecumenical contribution to Trinitarian theology, *From Pentecost to the Triune God* also engages major historical and contemporary figures such as Augustine, the Cappadocians, Weinandy, and Zizioulas, as well as representatives from the evangelical and charismatic traditions. Finally, Studebaker applies his Pentecostal Trinitarian theology to the theology of religions and creation care, proposing that Christians embrace an inclusive posture toward people of other religious traditions and have an earth orientation that sees creation care as Christian formation.

The Holy Spirit -- In Biblical Teaching, Through the Centuries, and Today Anthony C. Thiselton 2013-06 The book is divided into three parts. Part One provides a thematic analysis and exegetical commentary on all the relevant biblical and cognate literature, including Josephus, Philo and the Mishnah. Part Two investigates the thinking of key Christian theologians on the Holy Spirit, from the Apostolic Fathers to eighteenth century authors such as John Wesley and Jonathan Edwards. Part Three examines more recent writings on the Spirit, from the nineteenth century onwards, including major systematic theologians such as Schleiermacher, Barth and Moltmann, as well as biblical scholars such as James D G Dunn, Gordon Fee and Gerd Theissen. Thiselton concludes the entire study by identifying seven fundamental themes, and calling for greater dialogue between mainstream scholarship and contemporary leaders of the Pentecostal and Renewal movements.

Acts 29 Brian Jacobs 2016-03-11 As long as people have heard the name of Jesus and believed his teachings, the Holy Spirit has been at work in the hearts and minds of people. If you have heard the good news about his life, death, resurrection, and the gift of the Holy Spirit, you are part of the continued work of Jesus Christ in the earth. This book has been written for those who desire to better understand the role of the Holy Spirit in the life of the Christian. The book of Acts contains more than a historical record of the early followers of Jesus; it contains the last words and instructions of Jesus to his closest followers before his ascension into heaven. As his last words, Jesus made a clear emphasis on the power and indwelling of the Holy Spirit upon which generations of his disciples would depend on. The central focus of this book is the nature and power of the Holy Spirit within

and among his followers. In the end, the proof of Acts 29 is found in our living! In a variety of ways, the truth continues to provide an unmistakable bond between each generation of Jesus's disciples. The message Jesus spoke directly to his disciples in the beginnings of Luke's historical record continues to be boldly lived out by millions of believers today. Jesus's mandate to believe and be saved and then to be baptized in the Holy Spirit is still relevant for us today.

The Spirit of Atonement Steven M. Studebaker 2021-01-14 Steven M. Studebaker proposes a Pentecostal approach to a major Christian doctrine, the atonement. The book moves Pentecostal theology of the atonement from a primarily Christocentric and crucicentric register to one that articulates the pneumatological and holistic nature of Pentecostal praxis. Studebaker examines the irony of Classical Pentecostalism relying on the Christocentrism of Protestantism evangelical atonement theology to articulate its experience of the Holy Spirit, as well as the Pneumatological nature of Pentecostal praxis. He then develops a Pentecostal theology of atonement based on the biblical narrative of the Spirit of Pentecost and returns to re-imagine an expanded vision of Pentecostal praxis based on the theological formation of the biblical narrative. The result is a Pentecostal atonement theology that shows the integrated nature of pneumatology, creation and Christology in the biblical narrative of redemption. It gives theological expression to not only the pneumatological nature of Pentecostal praxis, but also the fundamental role of the Holy Spirit in the biblical narrative of redemption. The book challenges popular western atonement theologies to re-think their Christocentrism and crucicentrism as well as their atomistic tendency to separate soteriology into objective (Christological) and subjective (pneumatological) categories.

Acts: An Exegetical Commentary : Volume 2 Craig S. Keener 2013-10-15 Highly respected New Testament scholar Craig Keener is known for his meticulous and comprehensive research. This commentary on Acts, his magnum opus, may be the largest and most thoroughly documented Acts commentary available. Useful not only for the study of Acts but also early Christianity, this work sets Acts in its first-century context. In this volume, the second of four, Keener continues his detailed exegesis of Acts, utilizing an unparalleled range of ancient sources and offering a wealth of fresh insights. This magisterial commentary will be an invaluable resource for New Testament professors and students, pastors, Acts scholars, and libraries.

Der Geist des Lebens Jürgen Moltmann 2010-11

Theology of the Spirit in Doctrine and Demonstration Teresa Chai 2015-01-09 This book is a festschrift--a book of essays in honor of noted Pentecostal scholars Wonsuk and Julie Ma, The list of scholars below, representing a broad array of nationalities and academic disciplines, have followed the theme of A Theology of The Spirit in contributing articles within areas of their particular interest and expertise: Allan Anderson, J. Kwabena Asamoah-Gyadu, R.G. dela Cruz, Rose Engcoy, Harold D. Hunter, Dave Johnson, Veli-Matti Karkkainen, Kirsteen Kim, Robert Menzies, Ekputra Tupamahu and Amos Yong. In short, the scope of the book is universal in describing the person and work of the Holy Spirit through a number of the various strands of the Pentecostal and Charismatic movements in the world today.

Pneumanaut Eric Keck

The Mind of the Spirit Craig S. Keener 2016-06-21 Leading Scholar Explores Paul's Teaching on the Mind This major work by a leading New Testament scholar explores an important but neglected area of Pauline theology, Paul's teaching about the mind. In discussing matters such as the corrupted mind, the mind of Christ, and the renewal of the mind, Paul adapts language from popular intellectual thought in his day, but he does so in a way distinctively focused on Christ and Christ's role in the believer's transformation. Keener enables readers to understand this thought world so they can interpret Paul's language for contemporary Christian life. The book helps overcome a false separation between following the Spirit and using human judgment and provides a new foundation for relating biblical studies and Christian counseling.

Paul, the Spirit, and the People of God Gordon D. Fee 1994-09-01 "In Paul, the Spirit, and the People of God, Pentecostal scholar Gordon Fee has redefined the terms of the discussion about the Holy Spirit in a way that transcends today's paradigm of 'charismatic' or 'noncharismatic' orientation. His words are a strong reminder of what God, through his Holy Spirit, intends the church to be. . . . His work is an attempt to point us back to the Bible and reinvigorate our own vision of how the Spirit mobilizes the community of believers in the local church."--Wendy Murray, author; former senior writer, Christianity Today "Gordon Fee, one of our truly master exegetes, has put steel and sinew into the words Spirit, spirit, and spiritual--words that have become flabby through subjectivizing indulgence and lack of exegetical exercise. His accurate, fresh, and passionate recovery of the place and meaning of Spirit in Paul and for us Christians is a provocative stimulus and reliable guide to the recovery of the experienced presence of God in our lives. For those of us who want to live in continuity with all that has been revealed in Jesus and given in the Spirit, this is an eminently practical book."--Eugene H. Peterson,

professor emeritus of spiritual theology, Regent College "Gordon Fee is one of the finest Bible expositors I have known. Whenever he speaks and writes, I listen, and recommend you do the same."--Chuck Colson, founder, Prison Fellowship Ministries

Philippians Gordon D. Fee 2010-05-05 In Philippi, Paul addressed a congregation whose private struggles were compounded by opposition and suffering from without. Paul's strategy was to write them a letter of friendship and moral exhortation, reminding them of their "partnership in the gospel," their mutual suffering for the cause of Christ and their need to "stand firm in one spirit." His approach and counsel can serve us well today. In this warm study of Philippians, readers will find what it meant for its original hearers as well as what the letter means to us today. Pastors with a passion for sound exposition and scholars with a heart for pastoral leadership have joined forces to produce this readable and reliable commentary series. Each volume, informed by the best of up-to-date evangelical scholarship, presents passage-by-passage commentary based on the NIV translation along with background information on the text and its theological themes. Preachers, teachers, students and others who want to dig deep into the heart of the New Testament will find these to be indispensable companions.

Theology and Migration Ilsup Ahn 2019-08-26 In an age of global migration, what is the fundamental theological framework with which Christian theologians and church leaders are to engage its challenges and problems? In this volume, Ilsup Ahn attempts to answer this question by presenting a Trinitarian theology of migration.

Knowing Christ in the Challenge of Heresy Steven Tsoukalas 2022-06-02 The Most Holy Trinity—Father, Son, and Holy Spirit—uses heresy. On the surface, this is a frightening statement. But through the challenge of Christological heresies, the early church was moved to the task of articulating the faith once for all handed down to the saints. As a result of these heresies, the church realized that it had to lay out biblically, with nuance and precision, who Christ is. This nuance and precision was geared toward answering these heresies with “ no, ” and resulted in the saints through the ages knowing Jesus better. As it was then, so it is now. The church today, in sync with the Scripture and the apostolic tradition founded upon Jesus, needs in part to articulate biblical Christology in a way that specifically addresses modern-day heresies so that we may know Christ better, more deeply. In *Knowing Christ in the Challenge of Heresy*, Steven Tsoukalas lays out several modern-day heretical Christologies and answers them biblically with nuance and precision. Readers will not only find a documented cataloguing of specific heresies, but also chapters on Christology found in books of the Bible.

Kirche in der Kraft des Geistes Jürgen Moltmann 2010-11

Unbelievable Malcolm Duncan 2014-03-21 Christians face a tough task. In a world without consensus, all truth claims are regarded dubiously. The Gospel does not change, but what aspects should be highlighted in our rapidly changing culture? How do we speak into the culture, instead of just mirroring that culture? Malcolm Duncan constructs his case around the core statements of the Apostles' Creed. If we believe in as God as Creator, what does that mean about our treatment of His creation? If we accept Christ as Saviour and Lord, in what sense are we rescued, redeemed, remade? If we accept the Holy Spirit as Guide, where are we going and what are we here for? We face an unbelievable task: playing our part in the world's regeneration. But God has confidence in us. If we can be confident of what He has done for us, then we can also be confident of what He wants to do through us.

Effektives Bibelstudium Gordon D. Fee 2015-10-07 Die Bibel - ein Buch mit sieben Siegeln? Dieses altbekannte Vorurteil wird auf jeder Seite dieses Buches widerlegt. Bibellesen wird spannend, wenn man die Texte richtig versteht und weiß, wie sie auszulegen und anzuwenden sind. Was hat der Text seinen ursprünglichen Lesern gesagt? Und was bedeutet er für uns heute? Um diese zwei Fragen zu beantworten, muss man wissen, was für einen Text man vor sich hat: Ein Gedicht ist kein historischer Bericht, und ein historischer Bericht ist kein für alle Zeiten verbindlicher Gesetzestext. Evangelien, Gleichnisse, Offenbarung - "Effektives Bibelstudium" stellt die verschiedenen Textgattungen der Bibel vor und zeigt anschaulich, wie sie zu verstehen sind. Das Buch, das man braucht, um die "sieben Siegel" der Bibel zu brechen - damit Bibellesen Freude bringt und nicht in die Irre führt. "Die wahrscheinlich beste deutschsprachige Anleitung zum Bibellesen" Prof. Dr. Christoph Stenscke in "Die Perspektive", August 2005

Spirit and Scripture Kevin L. Spawn 2011-11-10 This book considers the academic treatment of biblical interpretation in the renewal movement, the fastest growing tradition in Christendom today. The initial chapter surveys the history of biblical interpretation in the renewal tradition and provides a conceptual basis for the book. In Part II, six renewal scholars outline a proposal for the future of biblical hermeneutics in the tradition. These authors address certain key questions. What is the role of the Holy Spirit in biblical interpretation? What are the distinctive presuppositions, methods and goals of renewal biblical hermeneutics? Three prominent

biblical scholars (Craig G. Bartholomew, James D.G. Dunn, R. Walter L. Moberly) respond to the proposals outlined above. These critical responses deepen the examination of renewal biblical hermeneutics as well as increase its appeal to biblical and theological scholars in general. The final chapter offers a synthesis and evaluation of the accomplishments of the discussion, as well as an assessment of the state of the discipline with an eye toward the future.

Überrascht von der Kraft des Heiligen Geistes Jack Deere 2006

God's Empowering Presence Gordon D. Fee 1994 God's Empowering Presence is the most comprehensive and insightful work in print on the life and work of the Holy Spirit as reflected in the writings of the Apostle Paul. Dr. Fee combines his acknowledged skill as a text critic and exegete with his vibrant spirituality to give us access to God's living presence in the Church.

Der Geist Gottes und die Gemeinde Gordon D. Fee 2005 Lehre oder Erfahrung, Früchte oder Gaben - wie oft sind im theologischen Streit diese Begriffe schon gegeneinander ausgespielt worden. Doch Paulus war eine solche Abgrenzung völlig fremd. Sein Denken und Erleben umfasste Gaben und Früchte zugleich und mit ungeteilter Entschlossenheit ein Leben in der radikalen Mitte. Entdecken Sie neu, was für Paulus und für die Gemeinde das ganze Leben im Geist bedeutete und auch heute noch bedeutet. Gott besucht die Menschen und bringt mit sich Gaben, Erfahrungen, Lehre, Erwartungen und Haltungen, die Ausdruck des Reiches Gottes sind und damit so radikal anders als alles, was wir uns ausdenken würden. Eine überaus spannenden Begegnung mit neutestamentlicher Lehre von einem der bedeutendsten pfingstlichen Theologen unserer Zeit. Das Buch ist eine populäre, gekürzte Ausgabe seines Hauptwerkes "God's Empowering Presence" "Selten findet man solch eine umfassende und solide Behandlung eines theologischen Themas auf der Grundlage ernsthafter und sorgfältiger Auslegung und Analyse" Bruce Metzger

Gospel and Spirit Gordon D. Fee 1991-10-01 For those who believe the Scriptures are the inspired word of God with a message relevant for living today, nothing is more crucial than understanding sound principles of interpretation. Disagreement arises when people and groups differ over how one gets at that message and what that message is. In this collection of essays and lectures, Dr. Gordon Fee offers hermeneutical insights that will more effectively allow the New Testament to speak on its own terms to our situation today. This is not a collection of subjective, theoretical essays on the science of interpretation; rather, these essays target issues of practical--and sometimes critical--concern to Evangelicals, Pentecostals, and anyone interested in letting the Bible speak to today's situation. Fee brings to the task what he himself advocates: common sense and dedication to Scripture. Readers already familiar with some of these essays, like "Hermeneutics and Common Sense: An Exploratory Essay on the Hermeneutics of the Epistles," will welcome its reappearance. Others will appreciate the challenge of essays such as "The Great Watershed--Intentionality and Particularity/Eternality: 1 Timothy 2:8-15 as a Test Case"--an essay defending the role of women in ministry--or "Hermeneutics and Historical Precedent--A Major Issue in Pentecostal Hermeneutics." Anyone wanting to wrestle with key issues in New Testament interpretation will want to read this book.

Der Heilige Geist und Seine Gaben Kenneth E. Hagin 1987

Leading the Presence-Driven Church John Piippo 2017-12-19 This is a book about the primacy and centrality of God and his unsurpassable presence, and what this means for the Church. The presence of God is the core, the sine qua non, of mere Christianity. God's presence is what is needed to win the day over the present powers of darkness. This book shows what it means for a church to be presence-driven, and what leadership looks like in the presence-driven church.
