*SCM Studyguide to Religious and Spiritual Experience Jeff Astley 2020-03-31 [Spiritual, religious, sacred, or mystical experiences may be broadly defined as subjective human experiences that appear to the person undergoing them, or to others, to convey or imply contact with or knowledge about a transcendent power, presence, or superior reality beyond the realm of the physical. Research has shown that these forms of awareness of 'something beyond' are of considerable significance in the ordinary lives of very many people, as well as being elements of signal importance in the origin and development of religion: not least by deepening characteristically spiritual or religious attitudes, emotions, beliefs, values and practices, along with fundamental orientations of life and quests for meaning. This Studyguide provides a succinct and lucid introduction to the subject for those studying religion at both undergraduate and GCE AS/A level. By exploring the key areas of both the empirical and theoretical study of religious and spiritual experience, the Studyguide will serve as an accessible and nonpartisan guide to enable its readers to explore the range of challenging data, debates, approaches, and issues that relate to the study of this widespread and significant phenomenon.*

*Redeemed Study Guide* Will Graham 2019-05-07 Only God can satisfy the hungry soul. In this five-session video Bible study, Will Graham, the grandson of renowned preacher Billy Graham, shares stories and teachings from his life about what it means to be redeemed in Christ. As Will has traveled the globe, he has observed that deep inside each of our souls, we are all hungering for something. Some of us try to satisfy that need by throwing ourselves into relationships, jobs, or hobbies. Some try to fill the hunger by engaging in destructive vices. Others pursue good deeds, social work, or donating money to worthy causes. But as the psalmist writes, only God "satisfies the longing soul, and fills the

hungry soul with goodness" (Psalm 107:9 NKJV). As we experience this redemption and walk in God's ways, He leads us to a new understanding of His love, helps us to let go of our past, gives us a new heart and outlook on our trials, and opens our eyes to see the eternal needs of those around us. The Redeemed Study Guide includes video teaching notes, discussion questions, Bible exploration, and weekly personal study and reflection materials. Sessions include: A New Understanding of God's Love A New Sense of Freedom from the Past A New Heart and Purpose A New Outlook on Difficulties A New Longing to Share Christ Designed for use with the Redeemed Video Study (9780310099796) sold separately. Digital and streaming video also available.

Kabbalah in Print Andrea Gondos 2020-11-01 Demonstrates the impact of print culture on the spread of Jewish mysticism, focusing on Kabbalistic study guides by R. Yissakhar Baer of seventeenth-century Prague. How did Jewish mysticism go from arcane knowledge to popular spirituality? Kabbalah in Print examines the cultural impact of printing on the popularization, circulation, and transmission of Kabbalah in the late sixteenth and early seventeenth centuries. The Zohar, in particular, generated a large secondary literature of study guides and reference works that aimed to ease the linguistic and conceptual challenges of the text. The arrival of printed classics of Kabbalah was soon followed by the appearance of new literary genres—anthologies, digests, lexicons, and other learning aids—that mediated mystical primary sources to a community of readers not versed in this lore. A detailed investigation of the four works by R. Yissakhar Baer (ca.1580–ca.1629) of Prague sheds light on the literary strategies, pedagogic concerns, and religious motivations of secondary elites, a new cadre of authors empowered by the opportunities that printing opened up. Andrea Gondos highlights shifting intellectual and cultural boundaries in the early modern period, when the transmission of Kabbalah became a meeting point connecting various strata of Jewish society as well as Jewish and Christian intellectuals. Andrea Gondos is Emmy Noether Postdoctoral Fellow at the Institute of Jewish Studies at Free University Berlin, Germany. She is the coeditor (with Daniel Maoz) of *From Antiquity to the Postmodern World: Contemporary Jewish Studies in Canada*.

Study Guide for 'Wolf Journal, a Novel' Sue Knopp 2005-12-01 This study guide is the academic companion to Brian Connolly's "Wolf Journal." Set in the Allegheny Mountains of northern Pennsylvania, farm boy Jimmy Warren finds wolf tracks in the snow - even though no wolves have been in these woods for a hundred years. The tracks lead him deeper into his passion for nature guided by Hawk, an old Susquehannock storyteller. Along the way, Jimmy falls in love with the beautiful Sherry Woolman who shares his love of the wild. As a school project, Jimmy keeps a journal on wolves. In order to protect the wolf he discovered, Jimmy writes about him as if he is fiction. The Tanner brothers, a derelict pair of would-be bounty hunters, threaten to destroy the perfect balance of nature that Jimmy has found. "Wolf Journal" is a journey into the natural world where intricate details, like the imprint of a wing in snow, tell a larger story - one of endangered species, an endangered planet, and the human spirit that strives to understand and protect.

Old Testament Study Guide, Pt. 2 Randal S. Chase 2010-12-01 Old Testament Study Guide, Pt. 2: Deuteronomy to Solomon. This volume is the second of three on the Old Testament. It covers the Bible from the Book of Deuteronomy to the reign of King Solomon. We read Moses' counsel to his people during the final days before his translation. We follow the children of Israel into the Promised Land under the leadership of Joshua, beginning at Jericho and ending with the total conquering of all the lands promised to Abraham. We are introduced to the Judge-Heroes, including but not limited to Gideon, Deborah, and Samson. We read of the rise of the prophet Samuel and reigns of Saul, David, and Solomon. We thrill at the faith and gifts of David and mourn over his fall from grace. We are inspired by the wisdom of Solomon and the beauty of the House of Lord He built at Jerusalem, but are saddened by his idolatry in his old age. Along the way, we become familiar with the ministries and teachings of Elijah, and Elisha, and the courage and faith of Job. The cover features an extremely rare photograph of the rock (es-Sakhara) inside the Dome of the Rock, which at one time stood inside the Holy of Holies of Solomon's temple.
