Improving Schools [Liong Kam Chong](#) 2014-03-13 This is a selection of my "Letters to the Editor" that were published in two local dailies, The Star and New Straits Times (NST), over the period from Dec 2007 to August 2013. These letters relate my experiences in leading and managing schools and embody my thoughts and propositions for school improvement, enrichment as well as innovation. The letters are not presented in chronological order following their dates of publication. They are grouped according to specific sections of interest. Nevertheless, I am mindful of the fact that school matters often overlap and school issues cannot be discrete units. An integrated and holistic approach should be applied. And, thinking out of the box so as to bring about innovation and even "transformation" is very much advocated all through my letters. Schools are where national education policies are being piloted, modified and if appropriate, then implemented in full. Stakeholders for the wellbeing, upgrading and progress of a school must of necessity include more than merely its students, parents, teachers and administrators. ix Education Ministry, state and district education offices, other related ministries, the community, private sectors and certainly some non-government organizations (NGOs), all have important roles to play in ensuring the smooth and efficient running of our schools. I have looked within and outside of schools for causes and that have bearing on school matters. The letters included in the "Values" section in particular, bear out the familial and societal influence and impact on school improvement and programmes. August 2013 --- LIONG KAM CHONG

Insel der Wikinger [Mary Pope Osborne](#) 2003-01 Die erfolgreiche amerikanische Kinderbuchautorin schildert im neuen Band der Reihe 'Das magische Baumhaus' (zuletzt 'Im Schatten des Vulkans' und 'Im Land der Drachen', beide ID 34/02) eine magische Reise des 8jährigen Philipp und seiner 7jährigen Schwester aus den heutigen USA in ein mittelalterliches Kloster in Irland. Die Mönche schreiben u.a. alte irische Sagen auf, von denen die Kinder einen Band mitnehmen und so retten. Nur knapp entkommen die beiden einem Überfall von Wikingerschiffen. Die Geschichte ist mäßig spannend, da der gute Ausgang durch die magische Kräfte der Kinder von Anfang an sicher ist. Der geschichtliche Wissensgewinn ist sehr bescheiden, die Leser weder viel über die mittelalterliche klösterliche Kultur Irlands noch über Wikinger erfahren und auch dies sind fast ausschließlich recht banale Allgemeinplätze (Das Mittelalter war "dunkel", die Klöster bewahrten die Kultur, die Wikinger waren gefährlich usw.). Die recht klobig wirkenden SchwarzWeißZeichnungen überzeugen ebenfalls nicht. Insgesamt ein überflüssiger Band, dessen Anschaffung nicht empfohlen werden kann. . Philipp und seine Schwester reisen mithilfe des magischen Baumhauses in ein mittelalterliches irisches Kloster, das von Wikingern bedroht wird. Ab 8.

Understanding and Interpreting Data on the Learning of English Tenses and Verbs [Sonia Lim](#) 2021-01-08 Guiding learners to acquire sufficient knowledge of grammar constitutes an interesting domain in the field of teaching English as a second language. This research-based resource book focuses on the use of English tenses and verbal categories, which forms a huge and fascinating component of English grammar that merits attention in teachers' attempts to improve students' English proficiency. Inspired by concepts relating to explicit learning, consciousness raising, contrastive analysis and error analysis, the author used a variety of data derived from a set of elicitation procedures to reveal the linguistic interference encountered by second language learners. Arguing for the need to concentrate on grammatical rules positively, this inquiry focuses on studying learners' wide-ranging responses to a large number of items designed to explore linguistic interference in the learning of English verb forms in eight major categories. The findings, explanations and illustration-based recommendations provided in this volume will give teachers, instructors and researchers deeper insights into how strategies can be aptly employed to enhance learners' performance in using English verb forms and related grammatical categories, which constitute a key dimension in the learning and teaching of English as a second language.

Chaddi Buddies Oswald Periera Hill Mansion wasn't really a mansion: it was just a ramshackle hut on a small hill. But for Robert Pereira, it was better than any place he had seen in his village Golvada. His chaddi buddies Anand and Baloo lived there with their elder brother Dattya - his hero and the village cricket team captain. Robert had named their hut, 'Hill Mansion', moved by love for his buddies. It didn't matter to him that they were the sons of a domestic help. Robert loved Hill Mansion more than his own modern house, because the poor but strong residents of Hill Mansion had given him the courage to live and fight, bestowing on him the pet name Samson. On the other hand, his siblings and village bullies made fun of his clumsiness and weakness, and nicknamed him Pondya - an indolent, feeble fellow. Will Robert be able to fight the village bullies and erase the shameful 'Pondya' tag to his name? Will his love for his buddies stand the test of time and social barriers? Chaddi Buddies is a tender story of friendship, love and brotherhood, loosely based on the author's childhood, which will kindle sweet memories as you read on.
